

LEWES - DITCHLING ROAD

17 km, 200m ascent
westbound, 112m eastbound

1) See detailed Lewes map for route in Lewes

2) Going north on the main route turn keep straight ahead at the end of the Landport track and follow the road round to the left. Join the main road and turn right. On the alternative route keep straight ahead. Going south you have a choice. The main route turns left here by the church and, when the road turns left again, go straight on along a track, sometimes muddy after rain. The alternative route goes straight along the road.

3) There is a pavement between points 2 and 3. Going north turn left just before the station. Cooksbridge station has a limited service.

4) The route between (3) and (4) is on quiet tarmac lanes. The pub at East Chilmington sells good beer and very expensive food.

5) The route between (4) and (5) is on tracks, some ruts, but passable on a road bike.

The route between (5) and (7) is on roads. Turn at Westmeston Church (6) Shops, cafes, pubs in Ditchling
